

## ADD-A-PET PACKAGES

### Congratulations on your new addition to the family!

We'd love to help you find the best option to keep your new pet contained. Our Add A Pet package is a great offer for families who get a new pet! This package includes:

- Lifetime warranty on our Microlite® Computer Collar®
- One-year Power Cap® Battery plan
- Perfect Start™ Plus Training

**At a great value at only \$600, you save \$350 as opposed to purchasing these services separately. Package includes:**

- New Lightweight Microlite® Computer Collar® Receiver - Normally \$450
- One year Power Cap® Plan - Normally \$81
- Perfect Start™ Plus training- Normally \$420

**If you have a Boundary Plus Smart™ System, you can add a pet for only \$700, saving \$305 when compared to purchasing services separately. Package includes:**

- Smart™ Computer Collar® Receiver -- Normally \$585
- Perfect Start™ Plus training -- Normally \$420

**For a GPS Wireless system, you can add a pet for \$800, saving \$430 when compared to purchasing services separately. Package includes:**

- GPS Computer Collar® Receiver -- Normally \$810
- Perfect Start™ Plus training -- Normally \$420

Invisible Fence® Brand solutions are perfect for multi-pet homes! Unlike other pet products, Invisible Fence can be customized for multiple pets using our exclusive Different Rules for Different Pets™ Technology. Our technology can be integrated with any configuration of solutions from Invisible Fence to give your cat or dog personalized settings that match their unique needs and habits.
